

Torg Brewery

Torg Brewery is a veteran-owned, woman-brewed, family-operated brewery and taproom in Spring Lake Park MN. Torg's menu reflects the great traditions of British Isle and German brewers. Our unique layout makes Torg a perfect choice for hosting any event!

Private Rental Spaces

Torg offers two private spaces for your personal and business events.

Our large event space is perfect for either a corporate gathering or personal celebration. With amenities including party lighting, stage, HDMI equipped large screen T.V., and Bluetooth speaker, we can help you stage the room for any occasion.

Our smaller, more casual "Dart Deck" features 4 steel tip dart lanes, foosball table, and an overlook of our brewing facility.

Full taproom rentals also available.
