

Torg Brewery

Torg Brewery is a veteran-owned, woman-brewed, family-operated brewery and taproom in Spring Lake Park MN. Torg's menu reflects the great traditions of British Isle and German brewers. Our unique layout makes Torg a perfect choice for hosting any event!

Private Rental Spaces

Torg offers two private spaces for your personal and business events.

Our large event space is perfect for either a corporate gathering or personal celebration. With amenities including party lighting, stage, HDMI equipped large screen T.V., and Bluetooth speaker, we can help you stage the room for any occasion.

Our smaller, "speakeasy" room on the first floor is perfect for smaller parties and RPG gaming sessions and seats up to 25 people.

Full taproom rentals also available.
